On Sunday, February 27th, We'll Have A Lot Of Guests Coming To Worship

Who are these guests? They will be your friends and neighbors that YOU will be inviting. We are going to have a "Free Sample" Sunday at St. Paul!

We are inviting our neighbors to come on Sunday, February 27th for a "Free Sample" worship service. Posters will be posted around the neighborhood, and an article and ad in The Porch Press will be promoting this special Sunday service.

This open invitation for a "Free Sample" is *in addition to your effort* to invite people you know, friends or family members who may not have a church home, to be your guests for this service. Maybe you can pick them up on Sunday morning and escort them to the service.

The worship service will include both our adult and children's choirs. The hymns will be good old standards that we all enjoy. The whole service will be designed to put our best foot forward.

Additionally, St. Paul will be serving a specially prepared meal for everyone after the service. Bring your guests and introduce them to everyone you can. Tell them about your experience at St. Paul; let them know about the programs available at St. Paul. Tell them about the many ways to serve the neighborhood through St. Paul.

This is **THE SUNDAY** for you to invite someone or a family that you care about to join us in worship. For many people, it just takes an invitation from someone they know to take that first step. This is your opportunity to let them know about the life inside our beautiful sanctuary and our walk in faith. Let's pack the pews!

Thank You.

St. Paul. A Good Neighbor.
