Come, Just As You Are

Come, now is the time to worship.
Come, now is the time to give your heart.
Come, just as you are to worship.
Come, just as you are before your God.

One day every tongue
will confess you our God.
One day every knee will bow.
Still the greatest treasure
remains for those
Who gladly choose you now.

(repeat)

What A Wonderful World

I see trees of green, red roses too
I see them bloom, for me and you
And I think to myself, what a wonderful world.

I see skies of blue, and clouds of white
The bright blessed day, the dark sacred night
And I think to myself, what a wonderful world.

The colors of the rainbow, so pretty in the sky
Are also on the faces, of people going by
I see friends shaking hands, saying how do you
do
They're really saying, I love you.

I hear babies cry, I watch them grow
They'll learn much more, than I'll never know
And I think to myself, what a wonderful world

Amazing Grace/Peaceful Easy Feeling

Amazing grace how sweet the sound
That saved a wretch like me;
I once was lost, but now am found,
Was blind but now I see.

Chorus:
And I've got a peaceful, easy feeling
And I know He won't let me down
Cause I'm already standing, on solid ground.

Through many dangers, toils and snares
I have already come;
'Tis grace hath brought me safe thus far
And grace will lead me home.

Chorus

When we've been there ten thousand years
Bright shining as the sun,
We've no less days to sing God's praise
Than when we'd first begun.

The Gift of Love

Though I may speak with bravest fire
And have the gift to all inspire,
And have not love, my words are vain,
As sounding brass and hopeless gain.

Though I may give all I possess,
And striving so my love profess,
But not be given by love within,
The profit soon turns strangely thin.

Come, Spirit, come, our hearts control,
Our spirits long to be made whole.
Let inward love guide every deed;
By this we worship and are freed.

You've Got A Friend

When you're down and troubled
and you need a helping hand,
and nothing, whoa nothing is going right.
Close your eyes and think of me
and soon I will be there
to brighten up even your darkest nights.

You just call out my name,
and you know wherever I am
I'll come running, oh yeah baby
to see you again.
Winter, spring, summer, or fall,
all you got to do is call
and I'll be there, yeah, yeah, yeah.
You've got a friend.

If the sky above you
should turn dark and full of clouds
and that old north wind should begin to blow
Keep your head together and call my name
out loud now
and soon I'll be knocking upon your door.

You just call out my name and you know where
ever I am
I'll come running to see you again.
Winter, spring, summer or fall
all you got to do is call
and I'll be there, yeah, yeah, yeah.
Hey, ain't it good to know that you've got a
friend?
People can be so cold.
They'll hurt you and desert you.
Well they'll take your soul if you let them.
Oh yeah, but don't you let them.

You just call out my name and you know
wherever I am
I'll come running to see you again.
Oh babe, don't you know that,
Winter spring summer or fall,
Hey now, all you've got to do is call.
Lord, I'll be there, yes I will.
You've got a friend.
You've got a friend.
Ain't it good to know you've got a friend.
Ain't it good to know you've got a friend.
You've got a friend.
